Grading Metric Schools

Description

This functionality allows teachers to accurately assess their students' learning patterns and compare their data with state and national metrics of other students. Teachers can easily pinpoint their students' strong and weak points in various assessment metrics (i.e., Phonics, Fluency, Reading Speed, Grammar, Spelling, and Vocabulary). What are your first impressions of this section? Do you have any ideas and thoughts that could make this section better? Do you feel there is anything unique about its design? Does this section offer enough different functionalities? Be sure to leave feedback in our comments section and submit new ideas in our Ideas section.
