

Student Data

Description

Our Student Data section provides teachers with information about the progress of all their students (i.e., class level, learning level, and grade metrics) used to evaluate the students. What are your first impressions of this section? Do you have any ideas and thoughts that could make this section better? Do you feel there is anything unique about its design? Does this section offer enough different functionalities? Be sure to leave feedback in our comments section and submit new ideas in our Ideas section.
